FINAL STATEMENT

OF

Linkport.

Private Robert Linkport

117 Regt of Kentucky
F

VOLUNTEERS.

Dis. Apr 30 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay &c. due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should contain a true statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or to his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landress must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ARTICLES OF WAR.

When any non-commissioned officer or soldier shall die, or be discharged from the service of the United States, the then commanding officer of the company or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his personal belongings, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. The officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or detachment or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the adjutant, all the effects of such deceased non-commissioned officer and soldiers in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—The copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 25th Article of War, shall be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the commanding officer of the regiment. Final statements of pay, clothing, &c., in such cases, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies on post or station absent from his company, it will be the duty of his commanding officer to furnish direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease, which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186____." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the next muster roll.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they can be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5,) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186____."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipt therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him, one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

1406
Surrenderment-
OF

Lafayette
Private William L. Lusk

47 Regt of N.Y. Inf.

Volunteers.

June 26 1863

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster for pay, &c., due him, and the captain or other commanding officer of the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the amount entered on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on an own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, &c., or his one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should contain a final statement of the time for which the Soldier was allowed pay on his final statements, the clothing received, and other charges against him, or in his favor, so as to comprise a complete statement of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary for his final statement of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is destroyed. These accounts for each pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Landress must be entered on the muster roll, on which the discharge, death, desertion, &c., is reported, as well as the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

ARTICLES OF WAR.

When any non-commissioned officer or soldier shall die, or be killed in the United States, the then commanding officer of the company shall, in the presence of two other commissioned officers, make a list of what effects he died possessed of, give his receipt therefor, and transmit the same to the officer of the Department, who shall be accountable for and paid to the next of kin or deceased non-commissioned officer or soldier. If the officers so authorized to take care of the effects of the deceased non-commissioned officer or soldier, should, before they have accounted to the next of kin or otherwise, have occasion to leave the regiment or company, they shall, before they be permitted to do so, deposit in the hands of the commanding officer or of the adjutant, all the effects of such deceased non-commissioned officer or soldier, in order that the same may be secured for, and paid to, the proper representatives.

ARMY REGULATIONS—EDITION OF 1863

DECEASED SOLDIERS.

Inventories of the effects of deceased non-commissioned officers and soldiers, required by the Sixth Article of War, will be forwarded to the adjutant-general, by the commander of the company to which the deceased belonged, and a duplicate of the same to the adjutant of the regiment. Inventories of pay, clothing, &c., in discharge, will be sent to the adjutant-general with one copy of the inventory. When a soldier is absent from his company, it will be the duty of the commanding officer to furnish the required inventory and receipt, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of the death, giving the date, place, and cause, to what time he was last paid, and the other effects in his possession at the time of his death. This report will be noted on the next muster roll of the company to which he belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—), _____ regiment (—), _____ the _____ day of _____, 186—." If a soldier is present in the effects, it will be stated in the report. If the soldier is absent, the fact will be reported.

When the effects of a deceased non-commissioned officer or soldier are administered upon within a short period after his death, they will be disposed of by a Court of Adjutants, under the direction of the commanding officer of the post, and the proceeds paid to the Paymaster, to the credit of the United States, until they are claimed by the legal representatives of the deceased.

In all such cases of sales by the Court of Adjutants, a statement in detail, or account of the proceeds, drawn up by the commanding officer, non-commissioned officer, or soldier, will be forwarded to the adjutant-general. The statement will be endorsed, "Report of the effects of _____, late of company (—), _____ regiment (—), who died at _____, the _____ day of _____, 186—."

1.—The effects in all cases, when called for, shall be turned over to the legal representatives, without further authority from the Adjutant-General. When the effects are turned over to the legal representatives, these inventories are sent to the Adjutant-General, and a duplicate retained by the officer.

2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him, one copy of which should be sent to the Adjutant-General and one retained by the officer.

FINAL STATEMENT

OF

Thomas H. Hays
1st Reg't of Ky Inf
H.
VOLUNTEERS.
June 23, 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier or the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list & he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing received, and all other charges against him or in his favor, so as to comprise a complete record of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full settlement of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for each pay, &c., are attested by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppage."

NOTE 5.—Bounty paid by State authorities, and not by the United States, was not to be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwren must be entered on the muster roll on which the discharge, descriptive list, &c., is reported, as well as on the final statement; otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list & he has one should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

May 10 '68. The paper was for
the records of the Chief Clerk
an Debursing Office of the
Bureau, Div. R. & P. O.

War Department,
Adjutant General's Office,
Washington, Dec. 13th 1864

Sir:

In reply to your letter requesting a Descriptive List of John J. Maynor, a Private in Company K 47th Regiment Kentucky Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

John Maynor, Private in Company K 47th Regiment of Kentucky Volunteers, is 21 years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 12th day of Dec. 1863, at the town of Lucas, Nelson, in the State of Kentucky by St. H. H. Watkins, and mustered into the service of the United States for the day of Dec. 1863, at the town of Camp Nelson in the State of Kentucky, by St. H. H. Watkins, a term for the period of 6 years and during the war.

ACCOUNT OF PAY.

It is stated on the Muster Roll of his Company for the months of Sept. & Oct. 1864 that he was last paid by Paymaster Wm. Rimmer to the 31st day of August 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if desired at all, from the Company Commander's account of clothing.

REMARKS

The Muster Roll of the K 47th Reg. Vol. for Nov. & Dec. 64 reports him M. C. of service at Lexington Ky. Dec 26th 64. M. C. Roll of the dated Apr. 12th 65 reports him Transferred to Co. F 47th Ky. Vol. Jan. 15th 64 - Name not on Roll latter Co. Name John J. Maynor not borne.

Very respectfully,

Your obedient servant,

Chas. Beck

Assistant Adjutant General.

To

Br. Col. Alfred L. Rough USA
Chief M. C. Funds Ky.
Louisville Ky.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete account of his account. It will then be transmitted to the company commander of the soldier, who will cause it to be filed in the company's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is that the remaining portion of the soldier's account may be settled upon the amount of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

October 17th 1864

Dear Sir
I have the honor to acknowledge the information of
the General Command of the United States Army that the post
is badly situated & in a dangerous position for some other place
qualified to take charge of the large amount of provisions
& ammunition which is at the post. I find that previous
to my assignment to the duty here, very little care has been
taken with the military provisions. As little as I can
found there is the large game (24 lbs deer) & killed.

I find the Commission of the 4th Regt. (1st) 7th
I found some of the U.S. Art. Officer here he has very
little knowledge of the State & his term expires in about a
month, he should be relieved if practicable without delay
as he is not a military man.

In the Commission I would respectfully
state that the detachment of Heavy Artillery now in duty
at the fortification is inefficient in numbers and
and is taxed with duty. They have only 80 enlisted men
present. The number of guns is 2 miles in extent. Contain
several old guns. Besides having to guard three garrisons
and the frontier bridge.

Yours truly
Wm. A. Brewster

FINAL STATEMENT

OF

Elisha McDermis

117th Regt of Hy Infantry

VOLUNTEERS.

Chil Sept 10. 1864.

NOTE 1.—Two of these certificates (or its duplicate) are to be given to each Volunteer Soldier or drafted man who has been discharged, or is to be discharged, from the discharge of his company, that he may on such receipt from the Paymaster the pay &c. due him, and the receipt or other acknowledgment of the company commanding the company will be given to the officer of the duplicate certificates, on these certificates the Soldier is to certify to his discharge and should also present the receipt to the Paymaster to have the payment endorsed on it. The duplicate is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the basis of both these statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be given up by the officer who gives the Soldier these statements and endorsed with a statement to that effect by the officer. This endorsement should extend to the expiration of the time for which the Soldier was allowed pay on his final statement, the clothing account, and all other charges against him, or in his favor, as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will certify on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances due him to the full at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c. is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Melvin Taylor

1. The first part of the paper discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the success of any business and for the protection of the interests of all parties involved. The author argues that without accurate records, it is impossible to make informed decisions or to identify areas for improvement.

2. The second part of the paper describes the various methods used to collect and analyze data. It discusses the advantages and disadvantages of different techniques, such as surveys, interviews, and focus groups. The author also discusses the importance of ensuring the reliability and validity of the data collected.

3. The third part of the paper presents the results of the study. It shows that there is a significant correlation between the accuracy of records and the success of the business. The author also identifies several factors that can lead to inaccurate records, such as poor training, lack of resources, and inadequate supervision.

4. The fourth part of the paper discusses the implications of the findings for practice. It suggests that businesses should invest in training and resources to ensure that their records are accurate. It also suggests that supervisors should monitor the accuracy of records closely and provide feedback to employees when necessary.

5. The fifth part of the paper concludes the study and offers some final thoughts. The author reiterates the importance of accurate records and encourages businesses to take steps to improve their record-keeping practices.

6. The sixth part of the paper discusses the limitations of the study. It acknowledges that the study was conducted in a specific context and that the results may not be generalizable to all businesses. The author also discusses the potential for bias in the data collection process and the limitations of the methods used.

7. The seventh part of the paper discusses the future research agenda. It suggests that further research is needed to explore the relationship between record-keeping and business success in different contexts and to develop more effective methods for collecting and analyzing data.

8. The eighth part of the paper provides a summary of the key findings and conclusions. It reiterates the importance of accurate records and the need for businesses to invest in training and resources to ensure their success.

9. The ninth part of the paper provides a list of references. It includes a list of books, articles, and other sources that were consulted during the research process.

10. The tenth part of the paper provides a list of appendices. It includes a list of tables, figures, and other supplementary materials that are provided for the reader's reference.

FINAL STATEMENT

Private Joseph M. Wong

48th Regt Ky. Infantry

Co. K

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other COMMISSIONED officer commanding the company will receive in the act of the delivery of the discharge certificate; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to the Soldier in the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be sent up by the officer who gives the Soldier these statements, and enclosed with a statement to this effect by the officer. The statement should contain a full statement of the time for which the Soldier was mounted on his own horse, the clothing account and all other charges, and should be in his favor, or as to complete a complete statement of his account. It will then be transmitted to the company commander of the Soldier, who will on or all the day necessary to a full understanding of the Soldier's account on the muster roll, and which the Soldier's discharge is reported. The descriptive list will find the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, etc., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

23. Under the joint resolution approved July 11, 1870, (amendment of the joint resolution approved July 28, 1866,) and to complete his record, Private *Charles S. Charles Mosely 2^d Lieut Co. K 4th Regt.
Infy Vols having applied for a Certificate upon which
to ground a leave of absence. I Certify that I have this
day carefully examined the said Lieut Mosely and find
him suffering from general debility, having had a se-
vere and protracted remittent Fever, in consequence of
which he is wholly unfit for military duty, and
will not in my opinion be able for duty in a less
period than thirty days. And I would respectfully
recommend that the said Lieut Mosely be granted
a leave of absence for thirty days, as I believe a change
of locality would be of benefit to and improve
his health.

Harrison Court house Kentucky
Oct 17th 1863

To his Excellency Genl. Boyle

Dear Sir

We beg leave, to inform your
Excellency, that Nathan H. Poe, (Lieutenant) (Capt) Commanded
by Captain Henry Shidmore, came to this County a few days
ago, and went to William C. Farmers, and broke a lock
and took his mare out of the stable, and rode her to death
or near about. Said Poe was backed by Melvin Hall,
William Ervine, Andrew Robin, and others, who stands indicted
by the Harrison Circuit Court for murder. They then commenced
taking the Citizens of this County prisoners, and harping
them and making them give up property and money to get
released, they then commenced breaking into private houses
and searching for property. General, when will this thing
stop? Can you not keep those men in Camp? Or will we
have to be murdered and robbed by those men? I have had
to lay in the mountains for two weeks, for sending a petition
to the Governor, asking him to deliver up France Hall and
William Ervine, who robbed me of my mare and pistol - which
petition was handed to your Excellency, as I have been informed
I will not be paid until my property have never been returned nor
my person protected. Nathan Poe, after doing every other thing
which was allowable in the sight of God, proclaimed Martial

Law, and forbid any person going to a Seceded State -
without his authority. He has made his will law, and
has been sustained by the balance of his rascally ^a Cien.
General, I sent a petition to the Governor asking him to
send out those Robbers (to wit) William Ervin & Francis Hall,
who robbed me they was United States Troops and he could
not deliver them up. I will give you a history of Lincolns
life - He was first indicted, charged with the murder of
John Clay; He then got to running after 'miserable women and
his wife left him. He then took up with one Polly Ann Gibson
who had three bastards, and one of them by a man who is now
in the Kentucky Penitentiary. She had the bad disorder at the
time he took up with her, this is the mans Character, who comes
in here and Robs - I have always been a Union Man, for
a strict prosecution of the Cause, and for the protection of every
Citizen as long as he remains loyal - Genl, I will ask you
to send back William Ervin & Francis Hall, who robbed me
of my mare and Pistol and Nathan & Joe William Clem
and Andrew Robin who broke down the stable door when it was
locked and took W. C. Farmers mares, to be tried by the
Civil Law. General, you know that such men will not fight
for our Country and that our Constitution would go down if such
men had the Control, if your Excellency is of the opinion that
those men should not be given up; for god sake dont let
them come in here and Rob us any more, I will ask you
to enquire of John Early Commission Merchant in Lexington
Grant Green, Auditor, James H. Barrow, & A. S. James, as to my

standing, your friend and obedient servant,
signed Leonard Farmer

I have been Robbed of over one thousand Dollars worth
of property, and have ~~sued~~^{sued} the Robbers in the Marion
Circuit Court for the damages, which caused them
to seek my life, your servant
signed Leonard Farmer

P.S. I send enclosed a notice which Nathan H. Roe left
which will show what he was doing L. Farmer *
signed Leonard Farmer.

* Notice to all
to all the Citizens of Kentucky that no person
will be permitted to go into Virginia without
a lawful pass from the Military Authority.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *4, 5, &c.*; to describe particularly the disability, wound, or disease, the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is with. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the certificate on this paper; see that the soldier is furnished with proper final statements in duplicate, and forward BOTH of these documents direct to the Adjutant General United States Army at Washington D. des. Capt. J. J. Bush to muster
service. Geo. H. Partridge as Hosp.

discharge from Co. E 29th Mass. Inf.

Approved Geo. H. Partridge's appli-
cation for muster in.

For Register of Mass. Dec. 26, 1868

(856) Eight hundred & fifty six enlisted men. The Colonel
I understand has been mustered in. The 2nd Master Sergeant
& Commissary Sergeant were both mustered as enlisted men.
But I seem to be excluded and now as all the Field and
Staff (except the Hospital Steward of the non-commissioned
Staff) have been mustered in. I would respectfully request
that if compatible with the good of the Service you would
order my muster.

Very Respectfully,

Your humble Servant,
Geo. C. Partridge.

To His Excellency J. F. Boyle
County Clerk of Kentucky

Sir

I would

respectfully beg leave to lay my case before you. On
the 3rd day of the present month, an order was dis-
charging me from Co. E 20th Regt. Ky. Vol. in
a view to my enlistment as Hospital Steward in
the 4th Kentucky Vol. I was immediately relieved
from duty as Clerk in Genl. Frey's Regt. Cavalry
and ordered to report to the Commanding Officer of this
Regt. for duty. As Col. Clark found me to
report to the Surgeon which I did, I have been
allowed in and have been acting as Steward since
Dec 5th. The Mustering Officer (Capt. Bush) refuses
to muster me in because the Regiment is not quite
full. The Regt. has now mustered in something like

Capt. Bush

of the 1st Regt.

and has been kept

by order. I am left

to take place in Hospital

thruout of 4th & 9th

you would purchase

FINAL STATEMENT

OF

Private Stephen Popel
4th Regt of Kentucky
F

VOLUNTEERS.

Died Oct 11, 1861

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other commanding officer commanding the company will certify to the act of the discharge of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment returned on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and entered with a statement to this effect by the officer. This statement should contain a full statement of the date for which the Soldier was allowed pay on his final statements; the company account, and all other charges against him or a list, as to company a complete exhibit of his account. It will also be communicated to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is required. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be entered upon the muster roll upon which the Soldier receives pay, and so that any error on his final statements and the Soldier receive pay on his final statements. These accounts for from the fact that his descriptive list is destroyed. These accounts for back pay, &c., are entered by the Adjutant the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Company must be entered on the muster roll on which the discharge, draft, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
